

## NLMC donates to local nonprofit organizations

Submitted photo

While planning for nurses week at Northern Louisiana Medical Center, the nursing leadership team made a financial contribution to nonprofit organizations in Ruston. The two organizations chosen were DART and Christian Community Action. Money was raised through a weeklong competition with employees placing money in jars of four individuals on the administration team. At the end of the week the individual with the most money collected had to kiss a pig. A total of \$600 was raised to assist with needs at both DART and CCA.
